PREPARE THE NEXT GENERATION OF PHYSICIANS

Join ARCOM as an Adjunct Clinical Professor (Preceptor)

ABOUT ARCOM

- Located in Fort Smith, AR
- Approximately 150 students per class
- Core sites currently in four (4) states, AR, MO, TX, LA
- Dedicated to training osteopathic physicians to serve in rural and medically underserved communities
- Uses an integrated, systems-based curriculum emphasizing early clinical exposure, active learning, and osteopathic principles and practice (OPP)

ABOUT ROTATIONS

- Preceptors have the flexibility to determine their availability for rotations
- Rotation blocks are 4 weeks in duration, allowing ample time for students to gain valuable experiences
- Students will follow your work schedule to ensure consistency and alignment with your practice's operations
- All clinical experiences are designed to be hands-on and immersive, ensuring students are actively engaged
- ARCOM manages the curriculum and didactic delivery, allowing you to deliver real clinical experience while concentrating on enhancing clinical skills during rotations

Benefits of Serving as an ARCOM Adjunct Faculty Member

- May claim up to 160 hours per block for precepting students
- Full access to ARCOM's online library, including UpToDate
- Adjunct Clinical Professor appointment
